

Make a lasting gift to the sanctuary and join the Primate Troop Legacy Circle.

In 2004, the sanctuary received a donation from the estate of Marion Schmidt, who had been a dedicated supporter of Peaceable Primate Sanctuary in addition to other animal charities. Ms. Schmidt's generous bequest allowed us to build our office, food preparation and animal building. After our construction was completed we still had funds left to install an endowment that will assist us in providing daily care to our residents. Ms. Schmidt was a generous and caring person during her lifetime and her lasting legacy will always be a part of the sanctuary.

Peaceable Primate Sanctuary was created to provide a sanctuary for baboons retired from use in biomedical research, as pets or entertainers. Our organization was incorporated in 1997. Peaceable Primate Sanctuary was recognized by the IRS as a 501 (c) 3 non-profit organization in 2000 to carry out its charitable and educational mission. Our eighty-acre sanctuary currently houses 46 residents, we have the infrastructure in place to expand the sanctuary so we can provide a retirement to the many primates that need us. By naming Peaceable Primate Sanctuary as a beneficiary to your estate you help us to provide veterinary care, enrichment activities and daily care.

Here are some of the ways you can create a legacy:
